

The background of the flyer features a sepia-toned photograph. On the left, a woman's profile is visible, looking towards the right. In the center and right, there is a large, circular, textured object, possibly a drum or a piece of wood, with a wooden mallet resting on its surface. The overall aesthetic is warm and artistic.

**VIBRATIONAL HEALING**  
**WITH PAULINA DIXON**

**2 DAY WORKSHOP**

Holding on to old emotions? FREE yourself through  
the power of sound

Working intuitively with sound, colour and meditation

Paulina is a NLP Master and EFT Practitioner
